The Housing Authority of the City of McKinney ("**MHA**") invites submissions of proposals (each, a "**Proposal**") from qualified Rental Assistance Demonstration ("**RAD**") program relocation consultants interested in providing RAD relocation consulting services to MHA.

If you or your firm (hereinafter referred to as the "**Respondent**") has demonstrated experience in providing RAD relocation consulting services to public housing authorities and their affiliated entities, and is interested in making the Respondent's services available to MHA, the Respondent is requested to respond to this Request for Proposals ("**RFP**"). The requirements and information needed to complete the Proposal are set forth herein.

One (1) original and three (3) copies of the Proposal for the services described herein must be received by MHA at the address noted on page 1 of this RFP no later than 5:00 p.m. Central on 12/12 2017. The deadline for inquiries shall be 5:00 p.m. Central on 11/29/17. Inquiries received thereafter will not receive a response. Proposals must reach the above address by the deadline stated. MHA is not responsible for any expenses related to the preparation or presentation of Proposals. Minority-owned and Women-owned business enterprise businesses are encouraged to respond to this RFP.

I. BACKGROUND & PURPOSE

This RFP for RAD program relocation consulting services is being issued by MHA with respect to its existing public housing site located in the City of McKinney, Texas known as Merritt Homes ("Merritt Homes"). MHA has received an award of 9% low-income housing tax credits ("LIHTC") to revitalize Merritt Homes. MHA has also received a commitment from the U.S. Department of Housing and Urban Development ("HUD") to convert the 86 existing public housing units at Merritt Homes to project-based assistance pursuant to the RAD program. The selected firm will either contract directly with MHA or, at MHA's option, may contract with Merritt Homes, LP, an affiliate of MHA (the "Owner"), that will ground lease the Merritt Homes property from MHA at the financial closing for the revitalization of Merritt Homes.

The purpose of the RFP is to solicit information from qualified relocation consultants through a competitive selection process for relocation services for Merritt Homes. MHA and Carleton Construction, Ltd. (the "Developer Partner"), MHA's development partner, are looking for firms and/or joint ventures that demonstrate experience in the RAD relocation process with a special emphasis on work with public housing authorities.

The selection of a relocation consultant will be through an open process subject to review by a panel selected by MHA.

The scope of work for this RFP focuses on the development and implementation of the plan to relocate the current Merritt Homes public housing residents to eligible housing onsite or to other housing options consistent with the requirements of the RAD program. All 86 units currently onsite will be replaced with newly constructed affordable units. One primary goal of relocation is to move Merritt Homes residents with minimal impact in accordance with RAD relocation guidelines. Work on the Merritt Homes relocation plan has already begun. The relocation plan will be implemented by MHA and the Owner with support from the Developer Partner and input from the selected RAD relocation consultant and will be subject to HUD approval as necessary.

II. DESCRIPTION OF THE PROJECT

Merritt Homes is an existing 86 unit public housing development owned and managed by MHA. It will be redeveloped into 136 units of multifamily, mixed-income housing. The current units at the Merritt Homes property will be completely demolished and newly constructed units will be built on site. The completed development will include community facilities, on-site (structured) parking and green space.

III. SCOPE OF WORK

MHA and the Developer Partner are currently considering all available options for the relocation of the residents of the 86 units that will be converted to RAD at Merritt Homes, subject to HUD approval.

MHA expects the successful Respondent to advise and assist MHA with the development, finalization and implementation of a relocation plan for Merritt Homes. MHA may require the Respondent to participate in resident meetings, community stakeholder meetings, MHA team meetings and/or MHA Board of Directors meetings as necessary, as well as meetings and/or calls with HUD. MHA may also require the Respondent to provide such other services in connection to or related to the RAD relocation consulting services as may from time to time be required by MHA. Proposals that demonstrate a Respondent's familiarity with RAD relocation requirements and guidance, including, without limitation, required resident notices and the resident right of return under the RAD program will be viewed favorably.

Respondents agree and acknowledge that the Scope of Work contained in this RFP is an outline only and is not a complete, detailed or exhaustive description of each specific relocation service that must be provided by the successful Respondent. The relocation consultant will provide all services as required by the terms and conditions of the eventual Agreement to be entered into following a successful negotiation with the successful Respondent (the "Agreement"), whether or not such services are expressly identified or described in the Scope of Work in this RFP.

The successful Respondent acknowledges that certain services are to be performed together with other parties involved in the Merritt Homes revitalization, and the successful Respondent agrees to perform all such services, consistent with applicable standards of professional care, and to cooperate fully with all other parties and stakeholders involved in the revitalization of Merritt Homes. The successful Respondent understands and acknowledges that the performance of services together with such other parties will not relieve the relocation consultant from any liability or responsibility for their own errors, omissions, negligence and breach of contract or breach of warranty in connection with the provision of services pursuant to the Agreement.

IV. REGULATORY COMPLIANCE

The revitalization of Merritt Homes is an undertaking of MHA and the Developer Partner. It is also a RAD program conversion involving federal funds from HUD and an award of LIHTCs from Texas Department of Housing and Community Affairs. Experience working with and meeting the requirements of HUD-financed and LIHTC project as well as other Federal and state funding sources (such as Community Development Block Grants and HOME Investment Partnerships) is desirable.

In accordance with MHA's Employment and Contracting Policy, there is a 50% goal for construction workforce and permanent / temporary workforce hires and a 50% Small Business Enterprise goal for professional / personal services and construction contracts. Federal participation goals include 20% of contracts to Minority-Owned Business Enterprises/Women-Owned Business Enterprises and 10% of construction contracts for Qualified Section 3 Businesses.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- (a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

- (h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

It is understood that the Contractor is an independent contractor and is not to be considered an employee of the HA, or assume any right, privilege or duties of an employee, and shall save harmless the HA and its employees from claims suits, actions and costs of every description resulting from the Contractor's activities on behalf of the HA in connection with this Agreement.

19. Other Contractors

HA may undertake or award other contracts for additional work at or near the site(s) of the work under this contract. The contractor shall fully cooperate with the other contractors and with HA and HUD employees and shall carefully adapt scheduling and performing the work under this contract to accommodate the additional work, heeding any direction that may be provided by the Contracting Officer. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.
- (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.
